RE CAB – ENVIRONMENT POLICY

We here at RE CAB are committed to minimizing the impact of our activities on the environment.

The key points of our strategy to achieve this are:

- ✓ *Minimize waste by evaluating our processes and ensuring they are as efficient as possible.*
- ✓ *Minimize toxic emissions through the selection and use of suitable suppliers within logistics and transportation.*
- ✓ *Minimize our energy consumption by monitoring and analyzing our energy consuming processes.*
- ✓ *Actively promote recycling both internally and amongst our customers and suppliers.*
- ✓ *Meet or exceed all the environmental legislation that relates to RE CAB.*
- ✓ *Use our accredited program (ISO 14001) to manage, control and review our environmental aspects of our company and to drive the continues improvements of our environmental management system.*
